

The Information Security Policy Statement

CISD provides ICT Support Services to Government Institutions appropriate to the context within which it operates.

Our **information security objectives** are based on the Civil Service's Information Security Management Framework.

We are committed to ensure that:

Confidentiality, integrity and availability of information is maintained during provision of our services while **complying** with all applicable **information security requirements**.

Appropriate resources are allocated in order to implement, operate and review an **effective** Information Security Management System.

The ISMS policy and related documents are **reviewed** at least on an annual basis or when significant changes occur.

The Information Security Management System **is continually improved**.
