

Configuration of Twake mail on Thunderbird

CISD – V1.0
2024

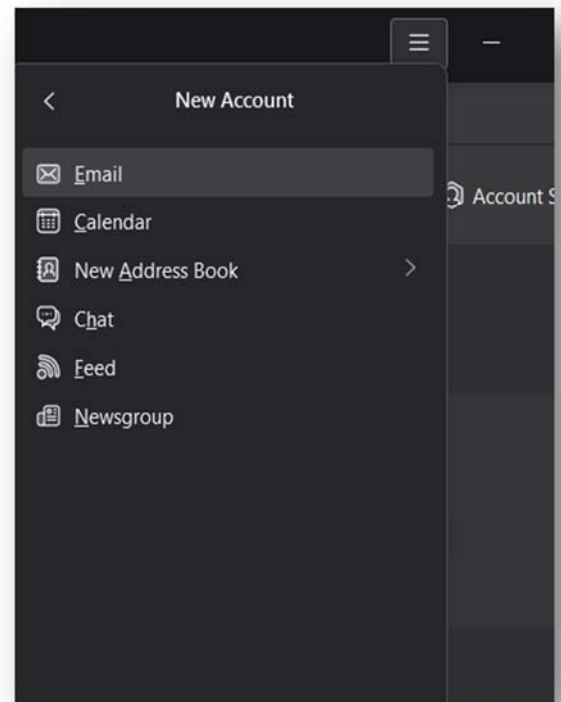

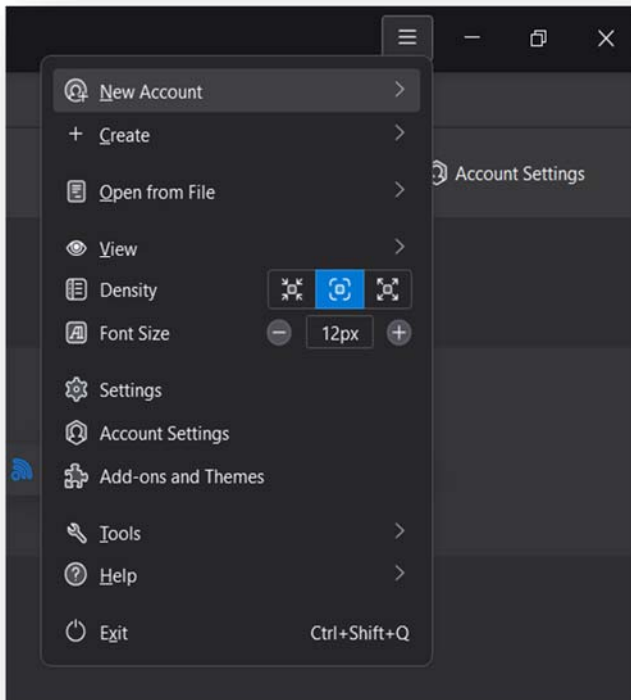

Thunderbird Email Configuration Guide

1. Open Thunderbird:

Start the Thunderbird application on your computer.

2. Add a New Account:

In Thunderbird, go to Account Settings by clicking on Menu (☰) > New Account > Email.

3. Enter Your Email Details:

In the Set Up Your Email window, enter the following:

Your Name: CISD GES Unit

Email Address: cisd_gesu@govmu.org

Password: Enter your email password.

Set Up Your Existing Email Address

To use your current email address fill in your credentials.
Thunderbird will automatically search for a working and recommended server configuration.

Your full name

The screenshot shows a dark-themed interface with a green checkmark and the text 'Account successfully created'. Below this, there are instructions and a list of settings options. A decorative graphic on the right side features a purple square with a white outline of a person's head and shoulders, a blue square with a white outline of a person's head and shoulders, and two blue circles containing white asterisks. The background of the graphic is a dark grey cloud.
