Ministry of Information Technology, Communication and Innovation

QUALITY MANAGEMENT SYSTEM - ISO 9001:2015

QUALITY POLICY STATEMENT

Our mission is to provide responsive, timely and cost-effective ICT Support Services to Government Institutions appropriate to the context within which we operate and in support to our strategic direction.

We shall ensure that we comply with applicable requirements. We shall strive to continually improve the effectiveness of the Quality Management System.

We are committed in using this policy for providing the framework for system management and setting quality objectives.

We are determined to focus on customer satisfaction through continual improvement of our services and continuous upgrading of skills, infrastructure and new technologies.

We are committed to fostering a conducive work environment that will enable our people to achieve our vision, mission, values, objectives and goals.
